The Onyx & Breezy FOUNDATION

Gabrielle Carteris
National Spokesperson

Trustees Corner

To our loyal supporters,
Hope to find you and your loved ones healthy and ready to enjoy the summer ahead!

The foundation is busy every day doing what we are meant to do, "Saving Lives of Animals Every Day".

On a personal note, Mark and I have had medical issues with our precious baby Tobie. After a lot of tests, she needed a tumor removed from her liver. It was cancerous but thankfully we caught it early and fortunately it didn't go into the blood vessels and they were able to get good margins!!! We are sharing this with all of you because knowing how much it cost us to save our girl and knowing how many people don't have the funds to save their pet, is why the

foundation is so important. Without us having our own personal funds to cover the cost, things could have gone in another direction! We NEVER want, if possible, for an animal not to have a chance to survive because of money!

Thanks to all of you, we have never turned away any grant that was eligible for assistance due to lack of funds.

So as always...
THANK YOU,
THANK YOU,
THANK YOU!!!

Hope to see you at our gala on October 21st, 2023, as it has been way too long to get together and celebrate what we all do for these precious babies!

"REMEMBER THE JOY THEY BRING"

With Love,

Wanda and Mark

Onyx & Breezy

100% of every dollar we raise continues to go towards helping animals in the following ways...

- Spay and neuter programs
- Rescue of animals from kill shelters
- Food, medicine and supplies
- Cancer Research
- Medicine and equipment for military and police K-9's
- Equipment for medical facilities
- Disaster relief and Puppy mill rescues
- Shelters, rescues, foster groups and sanctuaries
- Pets of individuals where medical hardship is present
- Helping the service dogs of veterans suffering from PTSD
- Other endeavors that benefit the welfare of animals

Why we do what we do...

The Onyx & Breezy Foundation has helped many disabled veterans get necessary treatments for their support animals...

O&B helped Valerie, a disabled veteran, to get her cat Prada emergency surgery.

Thank you so much for the pledge for Prada's hospital bill I really appreciate it from the bottom of my heart. Again thank you so very much for your assistance as Prada was really in a life or death situation and she's doing fantastically better now.

Prada is doing well! Healing right on target and beginning to be cautiously playful.

Thank you so much for your generosity and love for animals' needs.

I wish you all the best and thank you again.

Valerie, Prada & Family

O&B helped Gail, a disabled veteran who served in both The Marine Corps & The Army and was honorable discharged. We were able to get Charlie the life saving emergency tumor removal surgery he desperately needed.

*What does Charlie mean to my family.
Charlie means everything to me. CHARLIE is my Emotional Support Dog. I love him so, so much, he is the reason I get out of bed in the mornings.*

Life go so bad emotionally for me a while back (2017) I had to call the VA Crisis Line, ended up at the Emergency Room, I ended up not being admitted because, I realized that I could not leave "CHARLIE" behind.

Charlie's unconditional love gave me the will and the motivation to live.

I am willing to do what it takes to make sure Charlie has a quality life.

Gail [redacted]

O&B helped Charles, a disabled veteran, get a life saving hip surgery for his dog Celeste after she was hit by a car.

Thank you Onyx and Breezy for helping get my best friend and companion taken care of.

Very thankful husky dad,

Charles

Care. Love. Donate.

Make a Donation...

When you donate to The Onyx & Breezy Foundation, 100% goes directly to helping save the lives of animals in need

We have several different ways to donate to The Onyx & Breezy Foundation...

Make a general donation: Your donation can also be in honor or in memory of someone special and we will send a personalized postcard to a person of your choice letting them know about your thoughtful gift.

Did You Know...

Find a tick on your pet? Here's how to get that pesky parasite packing!

1. Flatten the hair around the tick so you can easily reach it for removal.
2. Using a fine-tipped tweezer, grasp the tick as close to the skin as possible.
3. Pull slowly in a straight, steady motion until the tick comes free. Place in a container with isopropyl alcohol to identify later if needed.
4. Clean the area, tweezers and your hands with antiseptic cleanser.
5. Watch your pet for signs of tick-borne illness and contact your veterinarian with any concerns.

*Wishing you and yours good health and safety!
We hope you have a great summer!
From our family to yours ...
Thank you, we couldn't do it without you!
